

Building entrepreneurial mindset and social innovation capacities supporting the Blue Economy in the South-West Indian Ocean higher education institutions.

## HEI Blue aims

to promote entrepreneurial education and strengthen University-Business cooperation for the sustainable development of the South-West Indian Ocean Region through blue entrepreneurship.

### Specific Objectives

**To promote blue entrepreneurship** in selected South-West Indian Ocean countries by transferring best practice approaches and facilitating innovative learning methodologies in entrepreneurship education

**To strengthen local innovation ecosystems** by creating physical and virtual environments oriented to boost collaboration among Higher Education Institutions, public administration, civil society and business actors working across the Blue Economy.

**Duration** 03/01/2024 to 02/28/2027
